

BREAD The most wholesome and the most nourishing of all foods, is today the only economical food.

Bread has not increased in price like other foods. Your loaf today cost only a few cents more than before the war—an advance that represents the increased cost of labor more than anything else.

So BREAD, the staff of life, is within the reach of everybody. EAT BREAD—MORE BREAD—in- stead of the richer, higher priced foods, and you will cut down the high cost of living, and be healthier and happier.

MURDER MAY BE CHARGE MADE AGAINST YOUTH

Amended Complaint May Be Filed Monday Against Alva Patterson—Funeral of Father Held Yesterday

No charge has been made in the charge against Alva Patterson, the 18-year-old boy whose father, whom he shot a little more than a week ago, died early Friday morning at St. Joseph's hospital. The charge is still "Assault with intent to commit murder" and the boy still remains in the county jail under a bond of \$10,000 which he has not been able to furnish. Under this charge he has been cited to appear before Justice DeSousa Tuesday morning.

Funeral services for the father, Frank J. Patterson, were held yesterday morning at 10 o'clock at the J. T. Whitney undertaking chapel. They were conducted by Rev. Harcourt W. Peck of the First Methodist Episcopal church. Interment was at Greenwood cemetery. Mrs. Patterson, the widow, was present at the services.

Son Not at Funeral
Through a misunderstanding as to the hour of the funeral services, Alva Patterson, the son, was not notified by the county authorities, and therefore was not in attendance. He first received news of the funeral from his mother, who visited her son at the jail afterward.

As a result of the death of the boy's father, an amended complaint will be filed against Alva Patterson, according to County Attorney Laney. This new complaint, which may be filed tomorrow, probably will charge the son with murder, it was stated.

Guy P. Nevitt, attorney, who has been engaged to represent Alva Patterson, when informed last night that it had been stated that a complaint charging the boy with murder probably will be filed tomorrow, said:

Attorney to Help Boy
"It seems to me that all the world is against Alva Patterson just now, and that he is the under dog. If that is the case, I am for him and I am going to help him."

Frank J. Patterson was shot by his son at their home near Maryland and Seventh avenues, five miles northwest of Phoenix, shortly after noon on Friday, October 10.

It followed an argument variously explained by the father and by the son. The father stated that his son shot him because of an argument concerning the purchase of a new motorcycle, but the boy has said that he shot his father because of disparaging remarks he said his father had made concerning his mother. This the father denied. The father was tubercular.

B. H. Gibbs, chief of the field division of the United States Land office at Santa Fe, was in Phoenix yesterday in conference with United States Attorney Thomas Flynn.

The conference had to do with a case pending before the United States district court at Tucson, the action brought by the United States against the Arivaca Land and Cattle company, and having to do with the cancellation of patents.

Mr. Gibbs assisted the government attorneys in preparing the briefs. The suit will be heard before Judge Sawtelle in November on the findings of the standing master in chancery which will be filed the latter part of this month.

Hoel, the men present contributed, with the result that the debt was greatly decreased.

The following program was presented:

KINDERGARTEN TOTS SAW CIRCUS PARADE

Through the kindness of a number of the mothers of the Cottage Kindergarten, children automobiles were provided to take the whole class to the circus parade on Tuesday. Every day since then features of the circus have been re-lived in the kindergarten plays of the children. The most bashful little 4-year-old finds courage to take the part of the roaring lion, and a new interest is developed in stories of wild animals.

For the grown-ups of Phoenix the circus may have been but one short day of fun, but a peep into this kindergarten on Willetta street shows that it has proved to be a source of lasting fun for the little tots.

COUNCIL OF JEWISH WOMEN TO GIVE DANCE

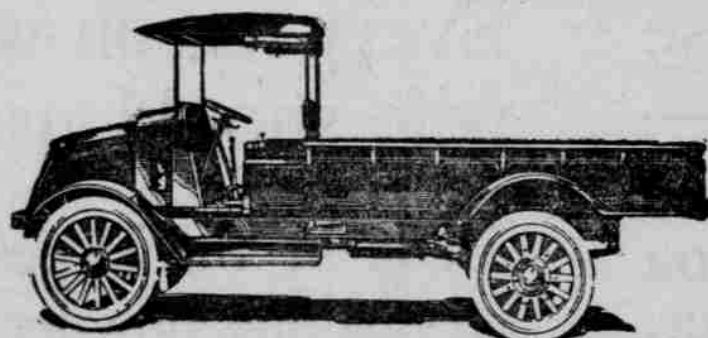

The Council of Jewish Women held a business and social meeting at the Woman's club Thursday afternoon. Among the business transacted was the election of Mrs. Sol Rosenblad as vice president to succeed Mrs. Eisenfelder, who is at present living in Chicago.

It was decided by the council to give a dance the first week in December. The proceeds to be added to the Temple building fund. The dance will be held at the Woman's club. It was announced at the meeting that the Emmanuel Hebrew Sabbath school will reopen at the administration building Sunday, October 26.

At the close of the business meeting a pleasant social was enjoyed. Mildred Marie Gray gave a reading, and Leda Reuben, a pupil of Vivian Florine Young, gave a dance number. The hostesses of the afternoon were Mrs. Benjamin Funk, Mrs. Abe Karp and Mrs. S. Wilson.
